How do I find School Board Meeting dates?

Use the school calendar to find SB meetings: <https://www.nucps.net/calendar>

You can subscribe for alerts on the School Calendar page – hover over the 'share' button at the top right of the page, click 'subscribe for alerts' and enter required info. You'll receive email alerts for special called meetings – a very useful tool!

Financial information - we are a bit behind in updating the financial information and will fix that very soon. Archives of financial data can be found on NCSBWatch.org by clicking on the "school board" heading at the top and then select the financial area you would like to review. We apologize for the delay in posting. If you have thoughts about what you would like to see, please contact us. We will be updating the checkbook, revenue, and expense reports for the 24/25 school year this month.
